MEMBERSHIP CHAIR PERSON: ALF RHEA

The foundation for this Norcross High School Football program begins with the support from our parents and the community. Just from your support, our team has excelled in the classroom and on the football field. You have aided us in becoming one of the best programs in the state with back-to-back Region Championships in 2006 & 2007. Now, with your support, you can help us take our program to the next level.

Become a member of the Norcross Touchdown Club.

We depend on the touchdown club to provide funds that make this program successful. Gwinnett County does not fund a large part of the expenses required to run our program. In fact, last year the Touchdown Club provided approximately \$900.00 PER PLAYER in support of the NHS football program, above and beyond what is provided by the county athletic system. This includes items like:

- Weight equipment and training
- Helmets, shoulder pads, etc.
- Pre-game meals
- Field equipment
- Field lining/painting
- Football camps
- Laundry
- Audio/visual (game taping – use for player/coaching improvement and recruiting)
- And many other necessary expenses.....

Now, each family and community member can and should support our sons and the program by becoming a proud member of the NHS Touchdown Club.

Keith Malcoof
Head Football Coach

Pre-game meals are served first-come, first-served on an as-available basis. Concession stand coupons may be given on an as-needed basis.
